

PRICE LIST October 2008

**New Website Design:**

£300.00 for a website of up to 3 pages.

Perfect for a small business or club, includes a home page and two additional pages of your choice.

Graphic and logo work not included.

£25.00 for each additional page.

We charge a flat rate of £25.00 for each additional page that you require.

Graphic and logo work not included.

**Graphical work/Logo design:**

£30.00 per hour.

A logo is the most important aspect of your professional image. We charge a flat rate of £30 per hour for any graphical work required, including but not limited to logo design, and adjusting and resizing of images for your website. We are also able to design letterheads and business cards, which you can take to your choice of printer.

**Monthly site updates (for sites requiring monthly news/events updates):**

£25.00 per calendar month, or

£250.00 for 12 months when paid up front.

If your site requires updates more frequently than once a month, please contact us for a quotation based on your needs.

We are also able to assist with the registration of web domains, and in setting up hosting for your new website. Prices will vary depending on your requirements.
